

Precinct Chair Spotlight

Steve Lawrence, Precinct 48

What do you enjoy about being a Precinct Chair?

The most rewarding part of being a Precinct Chair is in educating voters that desire a greater understanding of what's happening at all levels of our government. After that, learning even more from other Precinct Chairs by spirited discourse at events and meetings.

STEVE LAWRENCE
Precinct 48 Chair

How long have you been a Precinct Chair?

I've been a Precinct Chair for 2-1/2 years and have lived in Montgomery County for 27 years.

Why did you become a Precinct Chair?

I had been campaigning for my preferred candidates since 2014. During the pandemic (November 2020), I started going to Grace Woodlands Church. Shortly after that I found a terrific group at the church led by Joe & Cathie Locetta called [Faith Votes/We the People](#). Their encouragement to increase my involvement as a Precinct Chair was effective.

What are some ways you've served your precinct or the county?

I've been an election clerk, election judge, Precinct 48 Convention Chair, delegate to the Senate District 4 Convention, and delegate to the Texas GOP Convention. I've delivered comments at The Woodlands Township Board of Directors, Montgomery County Commissioners Court, and multiple House committees in Austin.

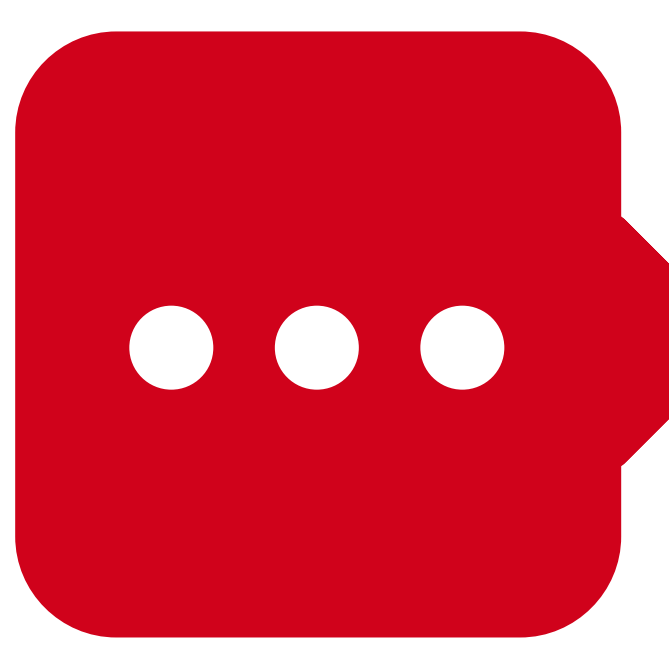

Why do you enjoy educating voters?

Educating voters blesses me because, in the words of Maximilian Robespierre, I find, "The secret of freedom lies in educating people, whereas the secret of tyranny is in keeping them ignorant." Therefore, my role as a Precinct Chair lies in the propagation of freedom.

Tell us about your family.

My wife, Connie Wright, and I married on October 21, 2017. I brought two adult sons to the mix, and she brought a daughter. Or more precisely, her daughter introduced us, then became my daughter four years later. We have five grandchildren. We also have two wonderful dogs.

What are your favorite things to do?

My primary interest is service. I try to spoil my wife every chance I get. I find service to my Lord Jesus extremely rewarding. The Kairos Prison Ministry is challenging and has become a wonderful source for my personal growth, spiritually and emotionally. Most often, these men have been broken by their own bad choices. Being a part of the process of positive change for them is humbling and uplifting.
